## Personal Information

- **Date Of Birth** : 10-dec-2002
- **Gender** : Male
- **Languages known** : English, Hindi.

## Objective

To work in an environment where there is a continuous scope for personality development and to add value to the organizational objectives. I aim to acquire practical experience and enhance my expertise in web development and problem-solving. My goal is to contribute to projects and collaborate effectively with teams.

## Technical Skill

- **Web Development** : HTML, CSS, JavaScript
- **Programming Languages** : Java, C, C++, Python.
- **Database Management** : Mysql, Microsoft SQL Server.
- **Operating System** : Windows, macOS, Linux/Unix
- **Software Tools** : Ms office (MS Word, Excel and Power point), Adobe photoshop.

## Academic Projects

### ● School Management System HTML + CSS + JS

Engineered a user-friendly software solution that revolutionized school management, check-in, checkout, class assignments, and attendance. This innovative system reduced operational complexities by 50% and enhanced facilities.

### ● Virtual Mouse Python Project

- Implemented the Virtual Mouse Project, a groundbreaking initiative that replaces conventional computer mouse with gesture-based controls, enhancing computer accessibility through intuitive movements.

### ● Resume Builder Website HTML + CSS + JS

- It represents a digital adaptation of a classic paper resume, presenting a dynamic online format that showcases a captivating description of your skills, a comprehensive work history, and compelling evidence of your capabilities.

### ● Text to Speech Converter HTML + CSS + JS

- Text-to-speech, often known as 'read aloud' technology, transforms text on a computer into audio, offering valuable support for children facing difficulties while writing, editing, and maintaining focus.

## Education

### ● GRADUATION (2020-2024)

I am Pursing **Bachelor of Computer Science and Technology** at B.S. Anagpuria institute of Technology & Management, affiliated from YMCA University with **CGPA**: 7 overall

### ● SENIOR HIGH SCHOOL (2019-2020)

Completed my 12th in 2020 from **APOLLO CONVENT SCHOOL, PALWAL** with an aggregate score of **80%**.
